

Hidden Cat Pumpkin Craft

1. Color the cat and the pumpkin
2. Cut out the pictures.
3. Cut the pumpkin along the zigzag line (making 2 pieces).
4. Line up the dark circles so the top one is directly above the bottom one. Then push a brad through the circles, joining the two pieces of the pumpkin together.
5. Glue the cat's body to the backside of the bottom pumpkin piece, leaving the head sticking up.
6. Now you can open and close your pumpkin revealing the hidden cat!
